RE: Rule Summary Report – Notice of Intent to Amend LAC 37:XIII.1907

Dear President Alario, Speaker Barras, Senator Smith, and Representative Talbot:

The Louisiana Department of Insurance (LDI) hereby submits the following report required by La. R.S. 49:968(D)(1)(b) and announces its intention to proceed with rulemaking by finalizing the promulgation of an amendment to LAC 37:XIII.1907 as presented in the Notice of Intent (NOI) published in the Louisiana Register on November 20, 2018 (Regulation Number 46 – Long-Term Care Insurance Policy Definition, Vol. 44, No.11). A copy of this report has been placed on the LDI website in accordance with R.S. 49:968(D)(1)(c).

The purpose of the amendment to LAC 37:XIII.1907 is to delete a duplicated definition. The purpose of LAC 37:XIII.1901 et seq. (Regulation 46 – Long-Term Care Insurance) is to implement the long-term care insurance provisions of the Louisiana Insurance Code, La. R.S. 22:1181 - 1191. In July 2017, the Department of Insurance amended LAC 37:XIII.1901 et seq. to adopt changes made to date to the National Association of Insurance Commissioners' long-term care insurance model regulation, to adopt model regulation definitions, to make necessary technical amendments and redesignations to existing sections of LAC 37:XIII.1901 et seq. to accommodate the model regulation, and to make other technical amendments.

As published in July 2017, LAC 37:XIII.1907, as amended, contains a duplicate definition. The amendments intended to change the name of the definition for "*Skilled Nursing Care, Intermediate Care, Personal Care, Home Care and other services*" to "*Skilled Nursing Care, Personal Care, Home Care, Specialized Care, Assisted Living Care, and Other Services*". This change in the definition name reflected a change in terms used throughout the amended regulation. The amended regulation, as published, included the same definition twice: one with the amended name and one with the former name. LAC 37:XIII.1907 is being amended to delete the duplicated definition with the former and now obsolete definition name.

As noticed in the NOI, the public and all interested persons were provided an opportunity to submit comments to the LDI on the proposed regulation until the close of business on December 20, 2018. No comments were received.

Subject to legislative oversight, the LDI intends to submit the proposed amendment to LAC 37:XIII.1907 to the Office of the State Register for final publication. For your review and consideration, a copy of the NOI regarding LAC 37:XIII.1907, as it appeared in the Louisiana Register on November 20, 2018, is attached.

If you have any questions or need any clarification please contact Lynette Roberson, Staff Attorney with the LDI, who assisted the Commissioner in the preparation of the amendment to LAC 37:XIII.1907. Ms. Roberson can be reached at (225) 342-4673, or electronically at lynette.roberson@ldi.la.gov.

Sincerely,

Lynette Roberson

hours. Included in with the 600 hour minimum is an increase in the number of hours (120 additional hours, from 120 hours to 240 hours) that must consist of direct counseling with individuals and groups.

These changes to the mental health counseling internship align with standards published by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). Currently, most accredited universities offer counseling programs that meet or exceed CACREP standards. If a potential licensee is not currently meeting these standard requirements in their degree program they will have to increase practicum/internship hours outside of their curriculum while in their graduate program, which could result in additional costs for potential applicants. However, the LPC Board anticipates the requirement for additional internship/practicum hours will affect a small amount of applicants.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule changes will not affect competition or employment.
