Louisiana Revised Statute 47:6025 allows a refundable tax credit to reimburse citizens who paid between January 1, 2016, and December 31, 2016, an assessment to fund the Louisiana Citizens Property Insurance Program as a part of their homeowner's insurance premium. You may claim the Louisiana Citizens Property Insurance Corporation assessment refund on this form or on your individual income tax return, but not on both forms. Claiming the refund on both forms will delay your individual income tax return for review.
