

Anti-Fraud Plans

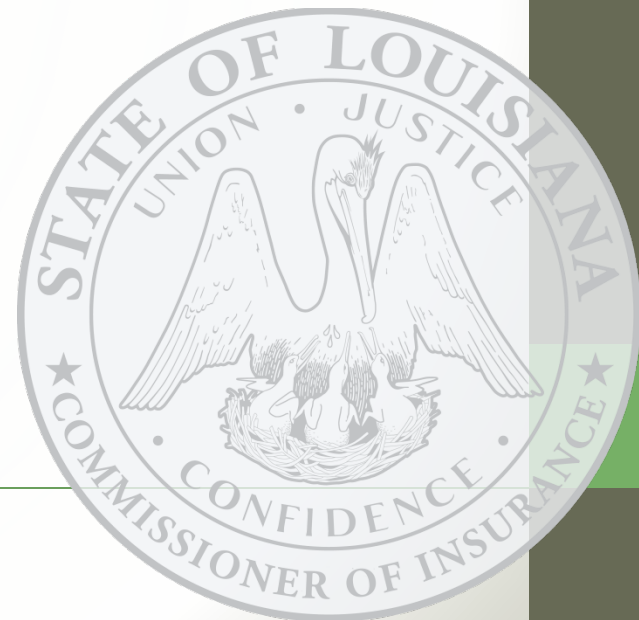

And Other Fraud Issues

Matt Stewart
Deputy Commissioner

Mike Calamari
Assistant Director

Division of Fraud-Louisiana Department of Insurance

July 11, 2014

Anti-Fraud Plan?

- Fraud is not new and is not limited to the U.S.
- What is Insurance Fraud?
- Insurance Fraud is a National Problem!

Anti-Fraud Plan?

- How large a problem is Insurance Fraud in Louisiana?
- To whom does the problem of Insurance Fraud belong?
- Insurance Fraud is EVERYONE'S Problem!

Anti-Fraud Filing Requirements

- Why have Anti-fraud plans?
- Confidentiality: Plans and Supplemental Reports
- Penalties for not complying with La. R.S. 22:572.1

Anti-Fraud Filing Requirements

LSA-R.S. 22:572.1 Insurance anti-fraud plan

- A. Each authorized insurer, **other than a "small company" as defined in R.S. 22:46**, and each health maintenance organization licensed to operate in this state shall prepare, implement, maintain, **and file with the commissioner** an insurance anti-fraud plan for **its** operations in this state.

Anti-Fraud Filing Requirements

- B. The insurance anti-fraud plan **required by Subsection A of this Section** shall outline specific procedures, actions, and safeguards that include how the authorized insurer or health maintenance organization will **do each of the following**:
1. Detect, investigate, and prevent all forms of insurance fraud, including fraud involving **its** employees or agents; fraud resulting from misrepresentations in the application, renewal, or rating of insurance policies; fraudulent claims; and **breach of** security of **its** data processing systems.

Anti-Fraud Filing Requirements

2. Educate employees on fraud detection and the **insurance** anti-fraud plan.
3. Provide for fraud investigations, whether through the use of internal fraud investigators or third-party contractors.
4. Report a suspected fraudulent insurance act, as defined by R.S. 22:1923(2), to the Department of Insurance as well as law enforcement and other regulatory authorities engaged in the investigation and prosecution of insurance fraud.
5. Pursue restitution for financial loss caused by insurance fraud.

Anti-Fraud Filing Requirements

- C. The commissioner shall review the insurance anti-fraud plan submitted **pursuant to Subsection A of this Section** to determine compliance with the requirements of this Section.

- D. The commissioner **may** investigate and examine the records and operations of authorized **insurers** and **health maintenance organizations** to determine if **they have** implemented and **complied** with the insurance anti-fraud plan.

Anti-Fraud Filing Requirements

- E. The commissioner **may** direct any modification to the insurance anti-fraud plan necessary to **comply** with the requirements of this Section, and the commissioner may require action to remedy substantial noncompliance with the insurance anti-fraud plan.

Anti-Fraud Filing Requirements

- F. The insurance anti-fraud plan and any summary report shall be filed with the commissioner on or before April first of each calendar year. Either on a calendar year basis or **such** other interval **the commissioner** deems appropriate, the commissioner **may** require that each authorized insurer and each health maintenance organization file a summary report of any material change to the insurance anti-fraud plan, including the total number of claims and the number of claims referred to the commissioner as suspicious, and the commissioner **may prescribe** the format of the summary report.

Anti-Fraud Filing Requirements

- G. The insurance anti-fraud plan, **and any summary report required by this Section** are not public record and are exempt pursuant to R.S. 44:1 et seq., and specifically R.S. 44:4.1(B)(**11**), shall be and are hereby declared to be proprietary and confidential **business** records not subject to public examination or subpoena.

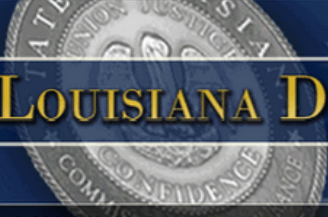

Anti-Fraud Filing Requirements

- NOTE: THE STATUTE THEN AMENDS THE PUBLIC RECORDS LAW TO MAKE THE INFORMATION PROVIDED PURSUANT TO THIS STATUTE EXEMPT FROM THE PUBLIC RECORDS LAW!

Steps to Use Industry Access:

1. Register for Industry Access
2. Request Module Access
3. Grant Module Access

Creating a User ID

Before you can log into the Industry Access Portal, you must first register your account with a valid email address.

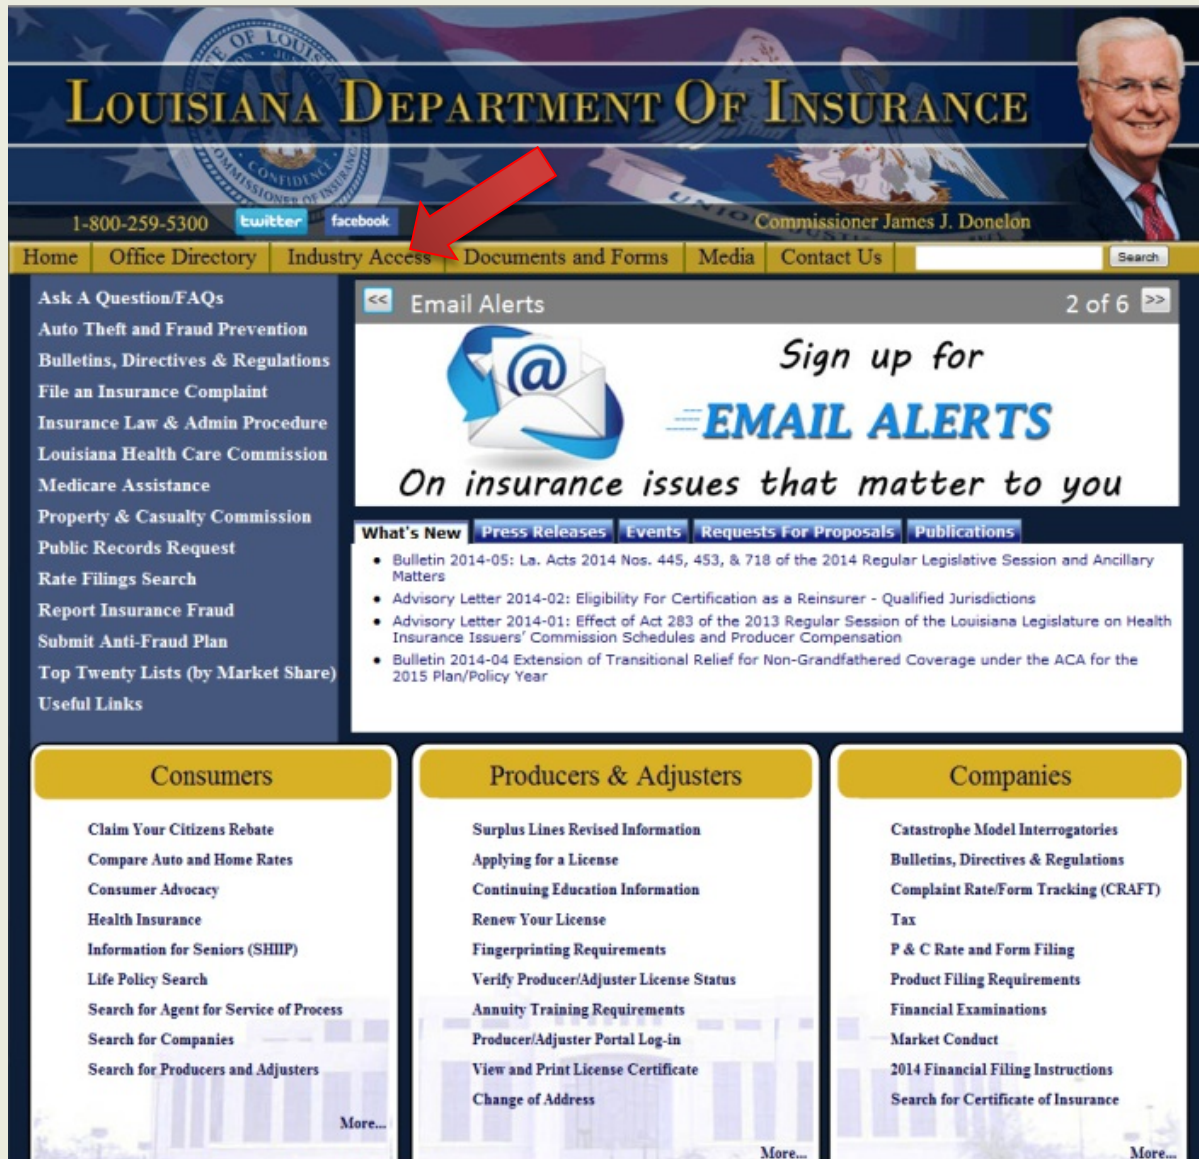

To register for the Industry Access System, you must first go to the website of the Department of Insurance.

The URL for this site is: www.lidi.la.gov

To Log In: Select the “Industry Access” link in the upper part of the screen.

The screenshot shows the Louisiana Department of Insurance website. At the top, the header includes the department's name, contact information (1-800-259-5300), social media links for Twitter and Facebook, and a photo of Commissioner James J. Donelon. Below the header is a navigation bar with links: Home, Office Directory, Industry Access (highlighted with a red arrow), Documents and Forms, Media, and Contact Us. A search bar is also present. The main content area features a sidebar on the left with links for 'Ask A Question/FAQs', 'Auto Theft and Fraud Prevention', 'Bulletins, Directives & Regulations', 'File an Insurance Complaint', 'Insurance Law & Admin Procedure', 'Louisiana Health Care Commission', 'Medicare Assistance', 'Property & Casualty Commission', 'Public Records Request', 'Rate Filings Search', 'Report Insurance Fraud', 'Submit Anti-Fraud Plan', 'Top Twenty Lists (by Market Share)', and 'Useful Links'. The main content area has a section for 'Email Alerts' with a sign-up prompt and a list of 'What's New' including bulletins and advisory letters. Below this are three columns for 'Consumers', 'Producers & Adjusters', and 'Companies', each with a list of services and a 'More...' link.

Account Administrator Search

To search for a licensee, begin typing into the search bar. The search bar will automatically fill in possible results for your search. You can perform a search by typing the licensee's name, NAIC ID, NPN, or License Number. If you are searching for an individual, please begin by typing the last name, a comma and then the first name. Click the desired licensee once it appears to view the Industry Access Account Administrator (IAAA). The IAAA is responsible for approving requests for module access.

Search for Licensee:

Browser Compatibility Notice: In order to provide the highest level of functionality, the LDI currently supports only Internet Explorer 8 and newer versions, in the default configuration. Other Internet browsers may function, but are not supported.

To log into the Industry Access Portal, enter the email address and password which you used to register. Then click the “[Log in](#)” button to open the Industry Access Home screen.

Home Screen

To access the Request Module Access screen, click the link on the Home screen or in the top navigation bar.

Request Access Search

To search for a licensee, begin typing into the search bar. The search bar will automatically fill in possible results for your search. You can perform a search by typing the licensee's name, NAIC ID, NPN, or License Number. Click the desired licensee once it appears to select it.

The screenshot shows the 'Request Module Access' page of the Louisiana Department of Insurance Industry Access Portal. The page header includes the department's name, 'Industry Access Portal', contact information (1-800-259-5300), and Commissioner James J. Donelon's photo. A user named John Smith is logged in, with links for 'Your Account', 'Help Manual', and 'Log out'. The main section is titled 'Request Module Access' and contains instructions on how to search for a licensee. Below the instructions is a search bar with the text 'this is a test'. A dropdown menu shows two results: 'This is a Test Company' and 'This is a Test Company Two'. A red arrow points to the first result. To the right of the search bar is an 'Add' button. Below the search results is a table with columns for 'Name', 'Status', and 'Action'. The table is currently empty, displaying 'No items to display'.

The selected licensee will populate the search field. Now click the “Add” button to add it to the Related Licensees grid. You may now request Administrator status or access to modules for that licensee.

Request Industry Access Account Administrator Status

To begin your request, click the “[View](#)” link in the Related Licensees grid.

The screenshot shows the Louisiana Department of Insurance Industry Access Portal. The header includes the department name, a portrait of Commissioner James J. Donelon, and contact information. The user is logged in as John Smith. The main section is titled "Request Module Access" and provides instructions on how to select a licensee. Below this is a "Related Licensees for: John Smith" section with a search box and an "Add" button. A table lists the related licensees, and a red arrow points to the "View" link for the first entry.

Request Module Access

Select a Licensee using the 'View' link to the left of each Licensee Name. If you do not see a Licensee listed, you can search for the Licensee by Name, NAIC number, National Producer Number or License number in the search box and click 'Add' to associate your account with the Licensee. To request access to a module, select the module(s) and click 'Next'. Confirm and Submit your selection(s) in the next step. To request Administrative Access, click 'Submit Request' or 'Replace Current Administrator'. **Fields marked with a red asterisk are required and must be filled out.**

Administrator Information

Module Access Requests are not available until an Administrator has been assigned to This is a Test Company. At this time, you may request Administrative Access by clicking the Submit Request button.

[Submit Request](#)

The screen will display the current IAAA information for that licensee. If the licensee does not have an Industry Access Account Administrator, you will have the option to request to become the IAAA. Click the “Submit Request” button. You will receive an email confirming that your request.

Note: It will typically take up to 24 hours for an administrator at the Louisiana Department of Insurance to grant or deny your request. You will receive an email notification once he or she has acted on your request.

Request Access to a Module

While your IAAA request is pending, you will have the option to request access to modules. If/when your IAAA request is approved, you will automatically be granted access to the requested modules.

No items to display

The modules available for the selected licensee will be displayed in the Request Module Access wizard. Click the checkbox for the module(s) to which you would like to request access, and then click the “Next” button.

You will be prompted to verify your request. If you would like to complete the request, click the “Submit Module Request” button.

Request Module Access

Step 2 of 2: Confirm Your Selection

You are about to submit a request for access to the following module(s):

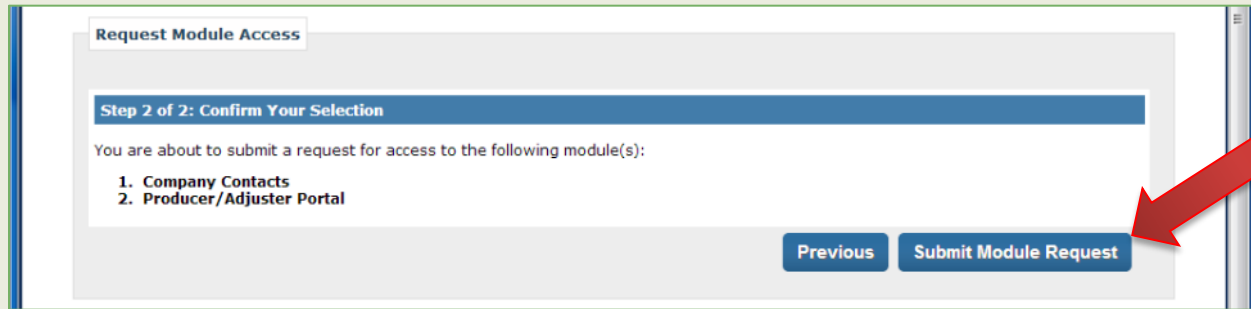

1. Company Contacts
2. Producer/Adjuster Portal

Previous Submit Module Request

Your request has now been submitted and will appear in Current and Pending Module Access grid at the bottom of this page. The system will generate an email to the IAAA, and you will receive an email notification once the IAAA has acted on your request.

Note: It is the responsibility of the IAAA to grant approval to modules. The Louisiana Department of Insurance does not grant this approval.

You will be prompted to verify your request. If you would like to complete the request, click the “Submit Module Request” button.

Request Module Access

Step 2 of 2: Confirm Your Selection

You are about to submit a request for access to the following module(s):

1. Company Contacts
2. Producer/Adjuster Portal

Previous Submit Module Request

Your request has now been submitted and will appear in Current and Pending Module Access grid at the bottom of this page. The system will generate an email to the IAAA, and you will receive an email notification once the IAAA has acted on your request.

Note: It is the responsibility of the IAAA to grant approval to modules. The Louisiana Department of Insurance does not grant this approval.

Granting Module Permission Users

(For IAAA Only)

Anytime a user requests permission for individual modules, the IAAA will receive an email notifying them of this request. That message includes the name of the individual making the request.

If you request access to modules for a licensee for which you are the IAAA, your requests will be automatically granted.

There are two screens on which you can grant module access: the Grand Module Access screen and the Permissions by Module screen.

New Fraud Laws

SB247 -- Signed by the Governor - Act 116
Provides with respect to insurance fraud. (8/1/14)

SB281 -- Signed by the Governor - Act 121
Provides with respect to insurance anti-fraud plans.
(8/1/14)

Impersonators/Runners

SB247 -- ACT No. 116

Enacts LA. R.S. 22:1923(2)(k),(l), and (m)

Adds 3 Definitions to "Fraudulent insurance act" shall include but not be limited to acts or omissions committed by any person who, knowingly and with intent to defraud:

LA. R.S. 22:1923(2)(k)

- *Impersonates* an insurance company, or a representative of an insurance company, *without the authorization or consent* of the insurance company for the purpose of executing a scheme or artifice to *defraud a person*.

LA. R.S. 22:1923(2)(I)

- **Impersonates** another person or entity, whether real or fictitious, and **purports himself** to have the authority to direct healthcare treatment for the purpose of executing a scheme or artifice to **defraud a person**.

LA. R.S. 22:1923(2)(m)

- **Receives money or any other thing of value from any person, firm, or entity as a means of compensation for the acts of solicitation or criminal conspiracy done for the purpose of executing a scheme or artifice to defraud a person.**

Helpful Definition for LA. R.S. 22:1923(2)(k), (l), and (m)

“Person” Defined in LA. R.S. 22:46(12)

- Any individual, company, insurer, association, organization, reciprocal or inter-insurance exchange, partnership, business, trust, limited liability company or corporation.
