DIRECTIVE 201-R (RESCINDED)

**TO: ALL AUTHORIZED INSURERS AND SURPLUS LINES INSURERS
WRITING POLICIES OF PROPERTY AND CASUALTY INSURANCE IN
LOUISIANA**

FROM: JAMES J. DONELON, COMMISSIONER OF INSURANCE

RE: RESCISSION OF DIRECTIVE 201

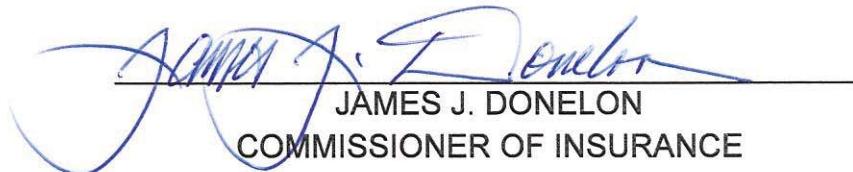

DATE: May 29, 2019

All authorized insurers and all surplus lines insurers writing property and casualty insurance in Louisiana are hereby given notice that Directive 201, issued on November 15, 2007, is hereby rescinded.

Directive 201 was issued in the wake of Hurricane Katrina and Hurricane Rita that struck Louisiana in 2005 and caused insurers to withdraw from the property and casualty insurance market and/or seek to non-renew all or a portion of their property and casualty policies. Directive 201 required an insurer to provide the LDI with sixty (60) days advance written notice of any proposed action related to withdrawal, non-renewal or conversion of insurance policies and related insurance actions in the Louisiana property and casualty market. At present, the property and casualty insurance market has stabilized such that Directive 201 is no longer necessary.

The rescission of Directive 201 does not affect any other obligations imposed upon insurers as set forth in the Louisiana Insurance Code or any promulgated Regulations relative to any withdrawal, non-renewal or conversion actions in the property and casualty insurance market in Louisiana.

Baton Rouge, Louisiana, this 29th day of May, 2019.

JAMES J. DONELON
COMMISSIONER OF INSURANCE
