RE: RESCISSION OF ADVISORY LETTER 2014-01

DATE: APRIL 12, 2023

All health insurance issuers including health maintenance organizations (hereafter referred to as health insurance issuers) and producers licensed for the line of accident and health or sickness in this state are hereby notified that Advisory Letter 2014-01, concerning commission schedules and compensation agreements between health insurance issuers, health insurance producers and policyholders, originally issued May 2, 2014, is rescinded.

Advisory Letter 2014-01 was originally issued to provide guidance to all health insurance issuers and producers licensed for the line of accident and health or sickness in the State of Louisiana regarding producer compensation agreements and commission schedules between health insurance issuers, health insurance producers, and policyholders. However, with the passage of time, changes in law, and the issuance of subsequent advisory letters and guidance, it has become necessary to rescind Advisory Letter 2014-01. This rescission is effective immediately and supersedes all guidance previously provided in Advisory Letter 2014-01. Health Insurance issuers and producers are advised to consult the Louisiana Insurance Code and other applicable laws, regulations, and advisory letters for guidance on the topic of producer compensation agreements and commission schedules between health insurance issuers, and health insurance producers, and policyholders.
