Your Message	Good afternoon. I just read that your office is about to have hearings on the sale of LBCBS to a for profit company. We, my wife and I, have been customers of Vantage Healthcare for many years. When they were sold to Blue Cross Blue Shield of Louisiana, we felt abandoned because the services and medical co-pays that we were guaranteed by Vantage changed, and in some cases, meds my wife is on were no longer covered, available or the copay went to \$100 for the same perscription that formerly cost nothing. Now, they are changing to another company if you approve the sale. We feel

	<p>lime we are being abandoned again, FOR MONEY. If this sale is approved, we believe we should be allowed to find another provider for our insurance needs. The Office of Insurance Commissioner of Louisiana is broken and has been for many years, and needs to be investigated for corruption. There's an old military saying, "if it ain't broke, don't fix it." Vantage wasn't broken, yet it was allowed to "be fixed." And, now you're going to try to "fix it again." LEAVE IT ONE AND NOT ALLOW THIS SALE' Thank you for your time and consideration. Dr. Michael Fluitt</p>
