Your Message	<p>Mr. Temple, I am writing to you to express my concerns about the sell out of Blue Cross of Louisiana. I am hoping that you will do the right thing and not let this sale go through. I have tried to get informed about this potential sale, and from what I have read and heard, this sale has disaster written all over it. They are trying to push this through way too fast, so that the people won't get informed until it is too late. They will realize this when the premiums go up drastically, and lets face the premiums are way too high as it is. You have the power to prohibit this sale, and I hope that you have the character to do so, which will help many thousands of Louisiana citizens.</p>
