Senator and Insurance Commissioner

Jim Brown removed the President of BCBSLA when LA unlawfully turned over operations partner BCBSLA to Mississippi BCBS. Jim Brown appointed PJ Mills President of BCBSLA and PJ appointed the new Louisiana Board.

Tim Temple should do the same right now because the current board and current Jon Hopkins President didn't represent Louisiana policyholders interests and put their own personal benefits interests before Louisiana citizens and policyholders.

Tim Temple has the power to do the same.

One person who I believe could be appointed as President is a former Insurance commissioner that has Louisiana interests at heart and the experience to do the job.

Mr Robert Wooley. Robert Wooley does not know I'm suggesting him.

Thank you  
Sincerely
