Please investigate this BCBS Louisiana buyout. It is a large Indiana company ripping off Louisiana people for their financial gain. When does any for profit company buy a non profit company doing a great job for Louisiana to fight the high cost of medical insurance and pays honestly on bills gonna help us. They are after the 1.8 billion dollars BCBS has in reserves and that's all. Why let an Indiana company steal our company. Just ask BCBS to lower premium cost and it will put more money in the Louisiana economy
