Blue Cross Sale : I'm opposed. I've had it for 50 years. They have been excellent. They have four stars elephants has 3.5 stars and there's a big difference in fines penalties operational experience. If it's not broken why are they trying to sell it. This happened before in the 80s I think when the Mississippi people tried to buy it. There is a reason half of Louisiana citizens are covered by Blue Cross. They are one of the few things that works in Louisiana. Let's keep it. Thank you. Coleman Brown 2256369080
