**Subject:** Elevance take over if BC/BS

As a retired teacher I am very much opposed to Elevance acquiring LA BC/BS. Any change from a nonprofit to a profit corporation will put its shareholders first and disregard 1/2 the population of La. who are insured by BC/BS. Elevance has been fined 1 billion since 2000. That alone tells why this takeover is bad. Other reasons could be mentioned but these are a few reasons for my strong opposition.
