Subject: Elevance buyout

Telisha, my name is Kathryn Bednarz. I am on Blue Advantage through the Calcasieu Parish school board. I'm writing to express my concern regarding the sale of BCBS to Elevance. As retirees my husband and I keep very careful watch over both our health and our health insurance. Stories about Elevance's dealings in other states are cause for concern. Doctors are opposed to the change as well as state officials. Please forward our concerns to those who are making this decision. BCBSLA has been "tried and true" for many years. Let's keep the status quo. Thank you for your help.
