Your Message	<p>Hello, I would like to express my concern regarding the potential sale of Blue cross Blue Shield of Louisiana to Elevance Health. I have been a policyholder with BCBS of LA for many years, and have always had very good experiences with them. I am concerned about increases in premiums/deductibles, decreased coverage, and losing access to my practitioners who I have seen for years if this sale occurs. I ask that Mr. Temple and the Louisiana Department of Insurance say NO to the sale of Blue Cross Blue Shield of Louisiana to Elevance Health. Thank you.</p> <p>Sincerely, Lisa Stutzenbecker</p>
