Your Message	<p>Re: Proposed sale of La. Blue Cross/Blue Shield Folks, I write to oppose in the strongest possible terms the proposed sale of La. BC/BS. Consumers need more diversity of providers in the marketplace and not fewer. It's called competition. It makes no sense to cede local influence and resources. Besides, if La. BC/BS is sold, what happens to the money? It surly won't go to those of paying the premiums these past decades. No doubt the elites will pony up to the sinecure table for fat pay checks and privileges, dispensing crumbs to woke/progressive non-profits and cause de jure. If the sale does happen, then require that the proceeds be distributed equally among the public universities for capital improvements in Louisiana.</p>
