I'm asking the Louisiana department of insurance to deny the conversion of Louisiana health service d/b/a Blue cross and blue shield of Louisiana from a mutual insurance company to a stock insurance company pursuant to La.R.S. 22:236.4. My research into the conversion would not be in the best interests of policyholders as such and as members and it would not be fair and equitable to policyholders and members as required by La.R.S 22:236.4. My research into the matter revealed that Elevance Health raised premiums, denied coverage for common procedures, and the quality of care for policy holders decreased.
