| Your Message | <p>I am writing this email in protest to the buyout of Blue Cross . I am a holder of a Blue Cross policy for years and do not trust the buying company at all. The first thing that comes to mind is the letters I have been getting that seems they are trying not to buy votes to approve the sale and it looks like group policy holders have no vote. I do have a vote and plan on voting no ! Hope the La Ins Commission does the same and does not approve this sale . It will not turn out good for the people of Louisiana if approved.</p> |
