

Brian M. Collender, FSA, MAAA

PRESENT POSITION: Specialist Leader, Deloitte Consulting LLP, Chicago

EXPERIENCE: Brian has been consulting for Deloitte since 2005 and working as a health actuary since 1995. Brian is the lead mergers and acquisition actuary within Deloitte where he has performed actuarial analyses related to merger and acquisition transactions in the managed care and insurance industries, including due diligence reviews and appraisal valuations. He has significant experience conducting pricing and actuarial analyses, including estimating actuarial liabilities and developing financial projections, for Medicare Advantage, Medicare Part D, Medicare Supplement, and group health products. Brian has provided audit support for several large health insurance organizations and assisted internal audit areas related to rate filing, underwriting, and pricing reviews. Brian has also analyzed group underwriting processes and actuarial rate-setting processes for insurance companies, provided actuarial support to underwriting departments in developing group underwriting guidelines, and reviewed health care rate filings on behalf of regulatory agencies. Specifically, his experience includes:

- ☐ Providing IBNR support and reserve analysis for numerous clients including employer groups and health plans
- ☐ Providing support to Internal Audit departments around review of work output, processes, and control.
- ☐ Analysis of the experience of Small and Large Group health plans
- ☐ Financial Projections for a Large Employer's Health Benefits Plan
- ☐ Provide actuarial support on health care related mergers and acquisition transactions including analyzing IBNR balances, reviewing monthly experience, and analyzing health plan projections
- ☐ Financial analysis on MA and PDP pricing in support of mergers and acquisitions analyses
- ☐ Review of Healthcare Rate Filings including Group Health, Long Term Care, and Disability products
- ☐ Small Group and Large Group PPO Product Development and Pricing
- ☐ Medicare HMO Product Development and Pricing
- ☐ Medicare Supplement Pricing
- ☐ Review MLR rebate calculations and methodology
- ☐ Review of 2005 – 2023 MA and PDP bid submissions

PROFESSIONAL AFFILIATIONS:

- ☐ Fellow, Society of Actuaries
- ☐ Member, American Academy of Actuaries

EDUCATION

- ☐ University of Illinois – Urbana Champaign, B.S.
