§12321. Matching Capital Requirements

~~A.—To be eligible for a grant, the insurer shall make a commitment of capital at least equal to the amount of the grant to write property insurance in Louisiana that complies with the requirements of R.S. 22:3309 and §12323 of Regulation 82. Grants from the Incentive Program Fund must be matched by such newly allocated insurer capital at a ratio of at least one dollar of allocated insurer capital funds for each dollar of state capital grant funds.~~

~~B.—Within 10 days of receipt of any Incentive Program Funds, the insurer shall provide to the commissioner written certification signed by two principal officers of the grantee that the Incentive Program Funds have been deposited in an account held in the name of the insurer applicant. Repealed.~~

AUTHORITY NOTE: Promulgated in accordance with R.S. 22:2, ~~R.S. 22:3301 et seq.~~ R.S. 22:2361 et seq. (re-designated from R.S. 22:3301 pursuant to Acts 2008, No. 415, effective January 1, 2009), and the Administrative Procedure Act, R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR 33:2660 (December 2007).

§12323. Property Insurance Requirements

~~A.—The grantee shall write new property insurance in Louisiana of the types described in R.S. 22:3309 and this Section of Regulation 82 with net written premiums of at least a ratio of \$2 of premium for each \$1 of the total of newly allocated insurer capital combined with the grant from the Incentive Program Fund. Thus, if the insurer allocates \$2,000,000 in capital and receives a matching state grant of \$2,000,000, the insurer must write property insurance in Louisiana with net written premiums of at least \$8,000,000.~~

~~B.—To comply with the requirements of the grant, the new property insurance written by the grantee shall be residential, commercial, mono line, or package property insurance policies in Louisiana and must include coverage for wind and hail with limits equal to the limits provided for other perils insured under such policies.~~

~~C.—The net written premium requirements of this Section will be satisfied only by new property insurance coverages reported on the Annual Statement State Page filed with the department under lines 1 (Fire), 2.1 (Allied Lines), 3 (Farmowners), 4 (Homeowners), or 5.1 (Commercial Multi-peril Non-liability).~~

~~D.—Grantees shall also comply with the following.~~

~~1.—By the end of the second year after receipt of the grant and in each succeeding year, the grantee shall maintain at least 25 percent of the net written premiums for policyholders whose property was formerly insured by the Louisiana Citizens Property Insurance Corporation. At least 50 percent of such policyholders insured by the Louisiana Citizens Property Insurance Corporation shall be located in the parishes included in the federal Gulf Opportunity Zone Act of 2005.~~

~~2.—By the end of the second year after receipt of the grant and in each succeeding year, the grantee shall write at least 50 percent of the net written premiums for policyholders whose insured property is located in Louisiana in a parish included in the federal Gulf Opportunity Zone Act of 2005.~~

~~3.—The grantee must comply with the requirements of both §12323.D.1 and 2 by the end of the second year and must continue to comply with all requirements in each of the succeeding years of the grant unless an extension has been granted by the commissioner under R.S. 22:2370.B or §12329.C of Regulation 82.~~

~~4.—The requirements of §12323.D.1 and 2 apply separately, but net written premiums from policyholders formerly insured by the Louisiana Citizens Property Insurance Corporation with property in the federal Gulf~~

~~Opportunity Zone used to comply with D.1 may also be used to comply with D.2.~~

~~5.—The net written premium ratios of §12323.D.1 and 2 apply only to the net minimum premium required under §12323.A. Thus the grantee may write additional Louisiana property coverage without regard to ratios required by §12323.D.1 and 2.~~

~~E.—The requirements of the grant that must be satisfied by the grantee are illustrated by the following example assuming a grant of \$2,000,000.~~

~~1.—Example~~

~~a.—The applicant is awarded a \$2,000,000 grant. Within 10 days of receipt of the grant of Incentive Program Funds, the applicant must match the grant with newly allocated capital funds of at least \$2,000,000 and provide written certification of compliance to the department. By the end of the second year after receipt of the grant, the grantee must write property insurance in Louisiana with net written premiums of at least \$8,000,000. At least \$2,000,000 of the \$8,000,000 of net written premiums must be written for policyholders whose property was formerly insured by the Louisiana Citizens Property Insurance Corporation and at least \$1,000,000 of that premium must be from policyholders whose insured property is located in Louisiana in a parish included in the federal Gulf Opportunity Zone of 2005. By the end of the second year after receipt of the grant, the grantee must write at least \$4,000,000 of the net written premiums for policyholders whose insured property is located in Louisiana in a parish included in the federal Gulf Opportunity Zone of 2005. By the end of the second year and for each of the succeeding years of the grant, the grantee must maintain net written premiums that comply with all of the requirements set forth above. Compliance with the requirements for the second year and for each succeeding year must be demonstrated on the grantee's annual reports.~~

~~F.—Applicants shall also satisfy the requirements for licensing, form filings, rate filings, and any other applicable provisions contained in Title 22. Repealed.~~

~~writing of such default. Any grantee declared in default by the commissioner shall have 30 days from the date of the declaration of default to request reconsideration by the commissioner. The written request for reconsideration shall set forth, in detail, each and every reason why the grantee is entitled to the relief requested, including any documents tendered in support thereof. The commissioner shall have 30 days from the mailing of the request for reconsideration to review it and render a decision. The commissioner's decision upon reconsideration is final. Unless modified on reconsideration, the default is effective from the date of the original declaration, and the grantee shall not be eligible to continue its participation in the Incentive Program unless the default is for failure to meet the requirements referenced in §12333.A.3.~~

~~C.—The grantee in default is liable for and shall repay all grant funds that have not been earned by the grantee, plus legal interest from date of the commissioner's default declaration. In the event of default, a portion of the grant award for the current year may be earned on a pro rata basis to give credit for premiums written under the Incentive Program. Repayment on a pro rata basis shall be determined using a method prescribed by the commissioner. If a request for reconsideration is not timely made, repayment is due upon the expiration of 30 days from the declaration of default. If a request for reconsideration is timely made and denied, repayment is due within 10 days of the denial of the reconsideration request.~~

~~D.1.—In determining the pro rata earnings, the commissioner shall divide the actual amount of written premiums by the amount required to be written under the Incentive Program, in each of the following categories:~~

~~a.—policyholders whose property was formerly insured by the Louisiana Citizens Property Insurance Corporation;~~

~~b.—policyholders under §12333.D.1 who are located in the parishes included in the Federal Gulf Opportunity Zone Act of 2005;~~

~~c.—policyholders whose insured property is located in Louisiana in a parish included in the Federal Gulf Opportunity Zone Act of 2005; and~~

~~d.—the total amount of net premiums written by the grantee under the Incentive Program.~~

~~2.—Each category is weighted equally at 25 percent, and credit shall be given based on the percentage of premiums written per category. The resulting factor is then multiplied by 25 percent of the amount the grantee is entitled to earn per category for each year of compliance under the Incentive Program (earned capital). The factor shall not exceed 1.00 for additional writings in any category. The sum of all categories shall equal the pro rata amount earned by the grantee.~~

~~E.—The requirements for earning on a pro rata basis are illustrated by the following example assuming a grant of \$5,000,000, presuming a maximum earned capital of \$1,000,000 (20 percent per year entitlement assuming full compliance), and the grantee is declared in default.~~

~~Example: [The required amounts of premium for each of the four categories are listed in the table below under "Requirement." Each requirement equates to 25% of the earned capital for the earning period or \$250,000. The "Actual" column represents the actual amount of writings by the grantee. The "Factor" column is the actual amount of writings divided by the requirement in each category. The "Earned" column represents the factor multiplied by \$250,000. Thus, under this example, the amount of money earned by the grantee on a pro rata basis is \$687,500.]~~

Category	Requirement	Weight	Actual	Factor	Earned
Total Net Written Premium	\$20,000,000	25%	\$15,000,000	.75	\$187,500
Gulf Opportunity Zone	\$10,000,000	25%	\$8,000,000	.80	\$200,000
Formerly Citizens	\$5,000,000	25%	\$1,000,000	.20	\$50,000
Citizens and Gulf Opportunity Zone	\$2,500,000	25%	\$2,500,000	1.00	\$250,000
				Total:	\$687,500

~~F.—The commissioner may institute legal action to recover all sums due by the grantee in default.~~
