§7533. Exemption from Section 1526 of Acquisitions of Shares of Stock and Stock Options under Certain Stock Bonus, Stock Option or Similar Plans

A. Any acquisition of shares of stock (other than stock acquired upon the exercise of an option, warrant or right) pursuant to a stock bonus, profit sharing, retirement, incentive, thrift, savings or similar plan, or any acquisition of a qualified or a restricted stock option pursuant to a qualified or a restricted stock option plan, or a stock option pursuant to an employee stock purchase plan, by a director or officer of an insurer issuing such stock or stock option shall be exempt from the operations of Section 1526 of the Act if the plan meets the following conditions.

1. The plan has been approved, directly or indirectly:

a. by the affirmative votes of the holders of a majority of the securities of such insurer present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the state of Louisiana; or

b. by the written consent of the holders of a majority of the securities of such insurer entitled to vote; provided, however, that if such vote or written consent was not solicited substantially in accordance with the proxy rules and regulations prescribed by the Commissioner of Insurance in effect at the time of such vote or written consent, the insurer shall furnish, in writing, to the holders of record of the securities entitled to vote for the plan substantially the same information concerning the plan which would be required by any such rules and regulations so prescribed and in effect at the time such information is furnished, if proxies to be voted with respect to the approval or disapproval of the plan were then being solicited, on or prior to the date of the first annual meeting of security holders held subsequent to the later of:

i. the date the Act first applies to such insurer; or

ii. the acquisition of an equity security for which exemption is claimed. Such written information may be furnished by mail to the last known address of the security holders of record within 30 days prior to the date of mailing. Four copies of such written information shall be filed with, or mailed for filing to the commissioner not later than the date on which it is first sent or given to security holders of the insurer. For the purposes of this Paragraph, the term *insurer* includes a predecessor corporation if the plan or obligations to participate thereunder were assumed by the insurer in connection with the succession.

2. If the selection of any director or officer of the insurer to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan, or the determination of the number or maximum number of shares of stock which may be allocated to any such director or officer or which may be covered by qualified, restricted or employee stock purchase plan stock options granted to any such director or officer, is subject to the discretion of any person, then such discretion shall be exercised only as follows.

a. With respect to the participation of directors:

i. by the board of directors of the insurer, a majority of which board and a majority of the directors acting in the matter are disinterested persons;

ii. by, or only in accordance with the recommendations of, a committee of three or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons; or

iii. otherwise in accordance with the plan, if the plan:

(a). specifies the number or maximum number of shares of stock which directors may acquire or which may be subject to qualified, restricted or employee stock purchase plan stock options granted to directors and the terms upon which, and the times at which, or the periods within which, such stock may be acquired or such options may be acquired and exercised; or

(b). sets forth, by formula or otherwise, effective and determinable limitations with respect to the foregoing based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors.

b. With respect to the participation of officers who are not directors:

i. by the board of directors of the insurer or a committee of three or more directors; or

ii. by, or only in accordance with the recommendations of, a committee of three or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons.

c. For the purpose of §7533.A.2, a director or committee member shall be deemed to be a disinterested person only if such person is not at the time such discretion is exercised eligible and has not at any time within one year prior thereto been eligible for selection as a person to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan or any other plan of the insurer or any of its affiliates entitling the participants therein to acquire stock of qualified, restricted or employee stock purchase plan stock options of the insurer or any of its affiliates.

d. The provisions of §7533.A.2 shall not apply with respect to any option granted, or other equity security acquired, prior to the date that Sections 1525, 1526 and 1527 of the Act first become applicable with respect to any class of equity securities of any insurer.

3. As to each participant, or as to all participants, the plan effectively limits the aggregate dollar amount or the aggregate number of shares of stock which may be allocated, or which may be subject to qualified, restricted, or employee stock purchase plan stock options granted, pursuant to the plan. The limitations may be established on an annual basis, or for the duration of the plan, whether or not the plan has a fixed termination date; and may be determined either by fixed or maximum dollar amounts or fixed or maximum numbers of shares or by formulas based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors which will result in an effective and determinable limitation. Such limitations may be subject to any provisions for adjustment of the plan or of stock allocable or options outstanding thereunder to prevent dilution or enlargement of rights.

4. Unless the context otherwise requires, all terms used in §7533 shall have the same meaning as in the Act and in Subchapter A of these regulations. In addition, the following definitions apply.

Exercise of an Option, Warrant or Right—contained in the parenthetical clause of §7533.A shall not include:

Plan—includes any plan, whether or not set forth in any formal written document or documents and whether or not approved in its entirety at one time.

Restricted Stock Option—as defined in Section 424(b) of the *Internal Revenue Code of 1954*, as amended, shall be applied to that term as used in §7533, provided, however, that for the purposes of §7533 an option which meets all of the conditions of that Section, other than the date of issuance shall be deemed to be a *restricted stock option*.

1. a purchase of an equity security of the class deposited and a sale of any certificate representing an equity security of such class; or

2. a sale of an equity security of the class deposited and a purchase of any certificate representing an equity security of such class (otherwise than in a transaction involved in such deposit or withdrawal or in a transaction exempted by any other provision of the regulations under Section 2 of the Act) within a period of less than six months, which includes the date of the deposit or withdrawal.

§7543. Exemption from Section Two of Certain Transactions Involving an Exchange of Similar Securities

A. Any acquisition or disposition of an equity security involved in the conversion of an equity security which, by its terms or pursuant to the terms of the insurer's charter or other governing instruments, is convertible immediately or after a stated period of time into another equity security of the same insurer, shall be exempt from the operation of Section 2 of the Act; provided, however, that §7543 shall not apply to the extent that there shall have been either:

1. a purchase of any equity security of the class convertible (including any acquisition of or change in a conversion privilege) and a sale of any equity security of the class issuable upon conversion; or

2. a sale of any equity security of the class convertible and any purchase of any equity security issuable upon conversion (otherwise than in a transaction involved in such conversion or in a transaction exempted by any other provision of the regulations under Section 2 of the Act) within a period of less than six months, which includes the date of conversion.

B. For the purpose of §7543, an equity security shall not be deemed to be acquired or disposed of upon conversion of an equity security if the terms of the equity security converted require the payment or entail the receipt, in connection with such conversion, of cash or other property (other than equity securities involved in the conversion) equal in value at the time of conversion to more than 15 percent of the value of the equity security issued upon conversion.

C. For the purpose of §7543, an equity security shall be deemed convertible if it is convertible at the option of the holder or of some other person or by operation of the terms of the security or the governing instruments.

§7549. Exemption of Certain Securities from Section 1527 of the Act

A. Any security shall be exempt from the operation of Section 1527 of the Act to the extent necessary to render lawful under such Section the execution by a broker of an order for an account in which he has no direct or indirect interest.

AUTHORITY NOTE: Promulgated in accordance with R.S. 22:2.

§7551. Exemption from Section 1527 of the Act of Certain Transactions Effected in Connection with a Distribution

A. Any security shall be exempt from the operation of Section 1527 of the Act to the extent necessary to render lawful under such Section any sale made by or on behalf of a dealer in connection with a distribution of a substantial block of securities, upon the following conditions.

1. The sale is represented by an over-allotment in which the dealer is participating as a member of an underwriting group, or the dealer or a person acting on his behalf intends, in good faith, to offset such sale with a security to be acquired by or on behalf of the dealer as a participant in an underwriting, selling or soliciting-dealer group of which the dealer is a member at the time of the sale, whether or not the security to be so acquired is subject to a prior offering to existing security holders or some other class of persons.

2. Other persons not within the purview of Section 1527 of the Act are participating in the distribution of such block of securities on terms at least as favorable as those on which such dealer is participating and to an extent at least equal to the aggregate participation of all persons exempted

from the provisions of Section 1527 of the Act by §7551. However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing such functions shall not preclude an exemption which would otherwise be available under §7551.

1. the sale is made subject to the same conditions as those attaching to the right of acquisition; and
2. such person exercises reasonable diligence to deliver such security to the purchaser promptly after his right of acquisition matures; and
3. such person reports the sale on the appropriate form for reporting transactions by persons subject to Section 1525 of the Act.

B. Section 7553 shall not be construed as exempting transactions involving both a sale of a security "when issued" or "when distributed" and a sale of the security by virtue of which the seller expects to receive the "when-issued" or "when-distributed" security, if the two transactions combined result in a sale of more units than the aggregate of those owned by the seller plus those to be received by him pursuant to his right of acquisition.

AUTHORITY NOTE: Promulgated in accordance with R.S. 22:2.

If the ownership is indirect (i.e., through a partnership, corporation, trust or other entity) indicate in a footnote or other appropriate manner, the name or identity of the medium through which the securities are indirectly owned. The fact that securities are held in the name of a broker or other nominee does not, of itself, constitute indirect ownership. Securities owned indirectly shall be reported on separate lines from those owned directly and from those owned through a different type of indirect ownership.

11. Character of Transaction

a. If the transaction was with the issuer of the securities, so state. If it involved the purchase of securities through the exercise of options, so state and give the exercise price per share. If any other purchase or sale was effected otherwise than in the open market, that fact shall be indicated. If the transaction was not a purchase or sale, indicate its character (for example, gift, 5 percent stock dividend, etc.), as the case may be. The foregoing information may be appropriately set forth in the table or under "Remarks" at the end of the table.

12. Inclusion of Additional Information

a. A statement may include any additional information or explanation deemed relevant by the person filing the statement.

13. Signature

a. If the statement is filed for a corporation, partnership, trust, etc., the name of the organization shall appear over the signature of the officer or other person authorized to sign the statement.
